

We want to take this opportunity to welcome John Mengel to the ITC Board of Directors serving as the Mid-East District Advisor. As you have seen in the past few editions of the *Script*, the call is out for volunteers to take on various offices. John volunteered and the board gratefully accepted.

John lives in Mechanicsburg, Pennsylvania, located halfway between Hershey and Carlisle. John says if you're a car person it's the best place to live. In fact, he was born in Hershey where his family were dairy farmers and purchased all of their Ford vehicles from Hess Ford in Hershey. His first car was a 1954 Mainliner. His first Thunderbird was a 1957 purchased in 2011. John and his wife, Diane, now drive a 2002. In addition, they own two Model A's, a 1930 coupe and a 1931 roadster. He works for a Mercedes Benz dealer and was able to purchase a 2006 SLK 55 AMG from one of his clients three years ago.

John is a 20-year Member of the Hershey Region of the AACA, ITC since 2013 and the Central Pennsylvania Thunderbird Club where he is the VP and Treasurer of the T Bird club.

He is also a Rotarian for the interest of any of our members who are also Rotarians.

If you are a member in the Mid-East District, please be sure to reach out and welcome him:
